Connecting Customers to Your Business Quickly and Easily!

SEARCH

Customers Search for a restaurant in their area by zip code & type of cuisine, or browse by state and city or with one of our other advanced search features.

Registered Users can also go directly to a restaurant that they've saved in their favorites area of the user menu, and post reviews and ratings.

ORDER

Consumers Order on-line for FREE using our menu system that allows them to view and modify their order as they go.

(Subscribing restaurants only)

Receive orders by email, fax or the optional ZoomPrinter™* accessory (or all 3, your choice), in just minutes. Orders even include customer Food Allergy info to avoid allergen-related issues!

* Additional Equipment Fee & monthly rental fee required

EAT

Takeout or Delivery, Customers will enjoy your Food the way it was meant to be...Hot or Cold, with Fast, Accurate & Easy FREE Online Ordering from OrderZoom.com and your Restaurant!

Increase Your Revenue, Reduce or Eliminate Errors and Improve Customer Service!

Introducing OrderZoom.com!

OrderZoom.com combines the power and flexibility of a Search Engine, the information of a Restaurant Directory and Your Menu to create the Ultimate Online Ordering System built with Your Restaurant & Your Customers in mind!

OrderZoom.com makes it easier for your customers to order from your restaurant, reduces or virtually eliminates busy signals, tied-up phone lines, errors that lead to spoilage, great improvements to staff efficiency and more.

Easy Online Ordering System for Your Customers

The OrderZoom.com Online Ordering System is 100% FREE for your customers and new customers can place orders easily. Orders are sent to you by email, fax or directly via our optional ZoomPrinter™ Accessory. Plus with our Toll Free or Local call tracking number and the convenience of our available Click to Call technology, your customers never have to think twice about ordering.

77% of web users prefer to order online*
